Literacy and Numeracy Instructional Leader
Phase 2 Action Plan Schools

The K-2 Literacy and Numeracy Action Plan (2017-2020) is one of the state-wide K-10 initiatives intended to achieve the Premier’s targets to:

a) Increase students in top 2 NAPLAN bands by 8% by 2019
b) Increase Aboriginal students in top 2 bands by 30% by 2019.

Phase 2 maintains the early intervention K-2 focus of the current State Literacy and Numeracy Action Plan. The principles underpinning the Action Plan are:

K-2 focus on literacy and numeracy through:
- instructional leadership
- diagnostic assessment
- differentiated teaching
- tiered interventions in K-2 literacy and numeracy.

General Description

In the Diocese of Lismore the key strategies for the 2017-2020 implementation of the Phase 2 Literacy and Numeracy Action Plan (LNAP) include the employment of a K-2 Literacy and Numeracy Instructional Leader.

Position title: Literacy and Numeracy Instructional Leader – Phase 2 Action Plan Schools
Accountable to: Principal
supervised by Literacy Numeracy Training Officer – Action Plan Schools

Overall Purpose of the Position

The Literacy and Numeracy Instructional Leader (K-2) works in collaboration with the school’s leadership team, especially the principal and leader of pedagogy, with particular responsibility for Years K-2 to act as a ‘catalyst’ for change working with teachers to build their capacity to raise students’ literacy and numeracy outcomes.

Key Tasks and Responsibilities

Contributes to building the capacity of teachers by:
- modelling, coaching and promoting classroom strategies that maximise student learning and incorporate the principles of contemporary learning
- critically reviewing research on best practice in teaching and learning to assist colleagues to further develop their teaching expertise
- promoting an attitude of learning to learn
- initiating strategies for developing a climate for providing and accepting constructive feedback and recognition of achievement.
Contributes to the development of leadership by:

- leading the school’s culture of high expectations in regard to numeracy and literacy K-2, collaborative planning, and monitoring of student learning
- placing learning at the centre of strategic planning and ensuring there is a diverse and flexible curriculum taught well in an effective learning environment
- working collaboratively with school's curriculum team to ensure key issues are regularly being evaluated and improved upon.

Manages the K-2 school data required to demonstrate evidence based teaching by:

- supporting teachers in the analysis of school performance data
- monitoring student and school literacy and numeracy performance to identify areas of student need and staff professional learning
- assisting teachers in the design and implementation of classroom strategies as part of their response to intervention.

School specific role and responsibilities:

- ensures focus is maintained on the Literacy and Numeracy Action Plan Priorities 2017-2020, set by the Minister for Education
- works directly with teachers and is often present in classrooms modelling, coaching and mentoring thus building teachers’ capacity
- contributes to organisational management in planning appropriate support and resources to gain the shift for those students identified as being below grade expectations in literacy and numeracy
- monitors and reports on Kindergarten to Year 2 students’ progress in literacy and numeracy against end of year benchmark expectations outlined in the Literacy and Numeracy Continua
- supports the teacher in identifying the students who are ‘at risk’ and with the leadership team determines the professional learning needs of staff so that appropriate differentiated instruction and intervention takes place
- supports students who are not making expected progress through selective diagnostic assessment and timely group interventions including re-teaching, providing opportunity for practice, and opportunity to participate in more formalised Tier 2 interventions
- facilitates and if appropriate provides the “professional learning of teachers in effective literacy and numeracy teaching practices”
- challenges, supports and refines existing classroom pedagogy and acts as mentor and coach trialling and modelling instructional strategies to support personalised learning and the use of diagnostic assessment
- collaborates with colleagues on the implementation of the school’s literacy and numeracy plans
- strengthens and supports the maintenance of the diocesan agreed English and Mathematics block and associated guidelines
- supports teachers to develop understandings about NAPLAN success criteria and how they relate to curriculum outcomes and how they can be more strategic in supporting student readiness for this kind of assessment
- participates fully in Professional Learning Teams (PLTs) in collaboration with the leader of pedagogy.
Qualifications and Skills Required

Literacy and Numeracy Instructional Leader:

- four year trained qualification
- demonstrated exemplary skills in classroom pedagogy
- ability to challenge status quo and work flexibly with principal and other executive team members.
